We are discussing the need for a focused Stewardship Drive to bring the church funds back in line with the liabilities. As mentioned before we do have a \$20,000 shortfall, even though we have been able to meet our operating budget we HAVE NOT been able to correct the cash shortfall. As part of this, your continued support by pledge does help with our financial stability. In this time of need and uncertainty please give a consideration to increasing your pledge or givings to help with our financial issues.
