We are discussing the need for a focused Stewardship Drive to bring the church funds back in line with the liabilities. As mentioned before we do have a \$20,000 shortfall, even though we have been able to meet our operating budget we HAVE NOT been able to correct the cash shortfall. As part of this, your continued support by pledge does help with our financial stability. In this time of need and uncertainty please give a consideration to increasing your pledge or givings to help with our financial issues.

*May 2018 Financials*

Operating Income \$12,056  
 Operating Expenses \$7,460  
 Operating "Profit" \$4,595  
*Year To Date Financials*  
 Operating Income \$60,357  
 Operating Expense \$56,754  
 Net "Profit" \$3,603

**Most of May "Profit" is the result of not having to pay a Pastor salary for May 2018.**

This does help our cash shortage, but is not the cure for the problem. The finance committee with the help of some of you are working on a long term solution to be able to reduce this deficient. we are currently able to operate within our ongoing income, thank you for your efforts.

Thank you for **your** support of **our** church.

**Please plan ahead: Treasurer will be on vacation July 1st-23rd. If you have need to speak with Mike Willis, please plan to do so beforehand.**

Also if you have any questions please do not hesitate to contact me at the church, email or phone.
